

B.Sc Ist Year (Biotechnology)

Paper - I

- Q1. Carbohydrates - Classification, Structure & function.
- Q2. Amino acids - Structure & classification.
- Q3. Electron transport chain
- Q4. Central Tendency.
- Q5. Concept of Hardware, Software, Input & Output devices.

Paper - II

- Q1. Structure & function of Plasma membrane.
- Q2. Programmed cell death.
- Q3. Chromosomal variations in number & structure.
- Q4. Microbial Growth curve.
- Q5. Bacterial Reproduction - Conjugation.
